World Day Against Trafficking in Persons: Tuesday 30 July

30 July marks the World Day Against Trafficking in Persons. It's heartbreaking to learn that 1 in 3 victims of human trafficking is a child. This month, Compassion invite us to join them in coming before God to ask for His justice and protection for all children affected by the trauma of human trafficking.

Father of all comfort, we know you love each one of your children - and your love is deeper and wider than even the most difficult circumstances. We pray for children who've been affected by trafficking, that you would show them your love and restore their hope. We pray you would help them to know your healing and that they would be able to enjoy life in all its fullness. **Amen.**
